

## **Giving advice to a future player**

In the box below, please write down some advice for a future participant in this study, to help them improve their performance in game you just played.

- They will already know the rules of the game.
- Please do not include any graphs or illustrations -- just use words.
- Write whatever you think will help them improve their performance.
- Take your time and write as much or as little as you want.

Please write your advice in this box.

*When you're done writing, please give this page to the experimenter.*
